LEGION PATROL OUT

Police District To Be Postponed

SHERIFF ORDERS LEGION PATROL HALT ACTIVITIES

Discontinuance of the Campbell Legion Patrol law enforcement activities until further notice was announced today by Rex A. Kaber, organizer of the group.

Kaber explainned that the action was taken at request of Sheriff Howard Hornbuckle. Legionnaire Kaber said the sheriff had given him no reason for the verbal notice to cease patrol activities.

Kaber expressed thanks of his 21-man volunteer group to citizens who contributed funds for operation costs, and to the Campbell Press for its support.

The group was organized early in November, 1949, following outbreak of juvenile delinquency here. Members, who served without remuneration, underwent a training course and were deputized by Sheriff Hornbuckle. Jack Chappell became the patrol captain.

Patrol members were leaders in the move to establish a Campbell Police Protection District, recently, but events this week pointed to probable discard of the proposal. Mounting opposition to the move by Campbell residents has been based on vagueness of the police district law, possible heavy tax rate increase and claims that the crime problem here is not sufficiently serious to warrant establishment of the district.

Hornbuckle could not be reached for a statement. Captain Jack Gibbons said the sheriff was "out of town on business."

Although other reports had it that this move was to facilitate the patrol's incorporation into the County Civilian Defense organization, it was pointed out that all deputies and auxiliary policemen have been asked to sign up for this group, but that their duties have not been thereby curtailed. In addition, the signup was accomplished some time ago, at request of the sheriff.

Kaber, who had offered use of his group as auxiliaries to the regular staff of the proposed police district, said the sheriff's order does not affect deputy ratings of the patrol.

LOCAL HISTORY OF YMCA TOLD FOR KIWANIS

Five members of the Campbell Hi-Y Council and Orville Graves of the San Jose YMCA office presented the program at this Tuesday's meeting of the Kiwanis Club. Chairman of the day, Ray Fish, gave a brief history of the YMCA in Campbell, and introduced the Hi-Y members who spoke on activities of their group.

Speakers were Charles Cantoni, Dave Baxter, Bob Cole, Bob Saia and Bruce Knox.

LOCAL HISTORY

"Earliest records we can discover about the YMCA in Campbell read as follows," said Fish:

"The Santa Clara County Committee held its first meeting July 13, 1916. Those present representing Campbell were Irving W. Snow, Ralston Allison and John F. Duncan. After election of a chairman and other officers, John F. Duncan was elected treasurer.

"July 18: The Campbell committee members suggested that the organizing convention of boys' work for the county be held in Campbell. The ladies of the churches have agreed to serve the banquet at 35 cents a plate. The convention or conference was set for October 12.

"January 6, 1917: Professor Snow spoke of the work of the three different boys' groups in Campbell. This was the result of the first year's work of the YMCA.

"1922: Will Chandler became general secretatry of the YMCA.

WHERE TO NOW?

(Editorial)

It is with a considerable degree of regret that we learn this week that Sheriff Howard Hornbuckle has requested Campbell American Legion Patrol to refrain from all types of law enforcement work in this area. During the operation of the patrol in Campbell there has been a marked decrease in petty law violations. The patrol has worked as a unit for the interest of the town of Campbell, devoting a considerable amount of their own money and time to duties that rightfully should have been conducted by the county sheriff, elected and paid by the taxpayers for that express purpose.

The Legion patrol during the year that they have served Campbell, have been called upon hundreds of times by local residents on various matters of law enforcement. With their withdrawal it leaves the town of Campbell in a precarious position from the standpoint of policing. The Campbell area is made up of approximately 12,000 people who pay for police protection every time they pay their taxes, and who, we are sorry to say, do not receive their money's worth.

The action of the sheriff puts Campbell in a vulnerable position. His action puts Campbell in exactly the same position that Campbell was in one year ago when the patrol was formed. It puts Campbell in the position of being a wide-open field for every vandal and petty crook in the county and Campbell does not like it. We of the Press as well as many local residents would like to know just what is the real reason for this action on the part of a county official whom we helped elect. We can't help but feel that the Sheriff's office has let the community down.

The sheriff has offered no substitute for the patrol. No additional personnel has been authorized for this area. And according to his own admission will not be unless the county board of supervisors allots more money for that purpose.

Following is a letter addressed to this newspaper by Rex A. Kaber, lieutenant of the Campbell Legion Patrol:

November 30, 1950

Mr. E. W. Barnes,
The Campbell Press,
Campbell, California

Dear Mr. Barnes:

The Campbell American Legion Patrol, effective this date, is withdrawing from all police patrol work and law enforcement duties in Campbell.

Our actiton is taken on verbal request of Sheriff Howard Hornbuckle of Santa Clara County. He has asked that we discontinue all phases of law enforcement, for an indefinite period.

I would appreciate it very much if you could relay, through the medium of the Press, my personal thanks as well as the thanks of the entire American Legion Patrol to the many people of Campbell who gave support to our activities. Gave, not only support, but financial assistance as well, at a time when the patrol was in dire need of help.

In the name of the patrol I would also like to thank you and your newspaper for the support that we have received through the columns of the Press, and sincerely hope that you will continue to stress the need for more adequate policing of the Campbell area.

With sincerest regards, I remain,

Sincerely yours,
REX A. KABER, Lt., Campbell Legion Patrol.

Stores To Begin 9 p.m. Closing December 15

Campbell merchants were queried this week on their choice of date when they will begin remaining open each night until Christmas.

Majority of those polled expressed a preference for December 15, and the Chamber of Commerce has announced that this will be the official date for the beginning of the late closing period.

Many merchants felt that the December 4 date originally announced would be too early. San Jose will start its open-every-night season on December 18.

FACTIONS UNITE IN EFFORT TO OBTAIN PROTECTION BY COUNTY SHERIFF'S OFFICE

Campbell's proposed police protection district appeared to have been shelved Wednesday night, if the workings of this unusual law can be halted once they have been put into operation. At a public meeting attended largely by area ranchers and marked by an overwhelming sentiment against the district, a joint committee which had met Monday night with Sheriff Howard Hornbuckle, reported on results of their substitute action. The meeting was held in the Campbell Union High School Little Theater.

The committee, consisting of both police district proponents and opponents, had asked Sheriff Hornbuckle for assignment of a patrol car to the Campbell area, but they told the gathering that Hornbuckle's answer was not too favorable for getting sheriff protection at the present time. Members said the sheriff promised to do all he could, but that he will be unable to assign a full-time car to the community due to limited personnel.

CHP CAR

Karl Bohnett reported that he had conferred with the California Highway Patrol, which agreed to have a patrol car on duty in the area as often as possible.

Of particular interest was the obvious point that of the 60 to 70 persons present at the public meeting, only three were proponents of the police district. Rex Kaber, member of the Legion Patrol which led the move for the district, was the solitary speaker for his small group.

Upshot of the session was the unanimous agreement of the assemblage that they would work to obtain more sheriff protection for the community. Kaber promised support of his group in attempting to eliminate altogetther, or postpone, police district action.

Fred P. Hoffman, chairman; Attorney Richard Morton and Kaber were appointed a committee to meet with the County Board of Supervisors Monday morning on postponement or elimination procedure. Joseph V. Gomes, who has served as chairman of the opposing faction, said it is hoped the matter will be cleared up by the December 28 date for the Supervisors' public hearing on formation of the police district.

The above committee, plus George Jerkovich, will also work for better sheriff protection in the area.

While Kaber had the floor Wednesday evening, a number

BLOCK CAMPAIGN FOR BOND ISSUE

The citizen's committee working for the passage of Campbell Union School District's current bond issue has organized plans for an intensive block by block campaign, Mrs. Leonard Meritt, general chairman said today.

Three chairmen are in charge of the entire district. Mrs. Ralph McKee at Moorpark, Mrs. Lloyd Brown at Campbell, and Mrs. Ray Martin at San Tomas.

The bond issue, which comes before Campbell District voters December 14, is a two-fold election. Voters will be asked by the trustees to approve a $235,000 bond issue which makes the district eligible to get a $1,663,000 state allocation. At the same time the voters will be asked, on the second item on the ballot to approve the receipt of the state funds.

Money from the state allocation and the local bond issue, will if approved, be used for a large-scale building program for the Campbell district. Five new schools are planned to take care of the district's growing school population.

Mrs. McKee, announcing her list of workers for the Moorpark area said eight block chairmen will help the campaign in that area. They are: Mrs. Ori Dibenedetto, Mrs. Robert Sidensol, Mrs. Howard E. Womar, Mrs. Eugen Andres Jr. Mrs. Eva Townsend, Mrs. Vincent Gorman, Mrs, Jerry W. Ginneyad Mrs. Pierson Tuttle.

Youth Dance

Campbell Youth Organization of St. Lucy's Catholic Church will have a short meeting followed by a dance Saturday at 8 p.m. in the parish hall. Phil Cosentino is president of the group. The meeting and dance are open to members of the high school group and their guests.

Elementary Pupils Selling Tickets To Aid Orchestra Instrument Fund

Elementary students, now working as ticket salesmen for the Footlighters' December 7 and 8 production of "Blithe Spirit," have a double purpose in their efforts, for receipts of the sales will be used to buy instruments for their own school orchestra.

The Footlighters, who several times in the past have received cooperation from the orchestra in incidental music for their productions, are returning the favor this time by a benefit performance for the muscians.

Extracurricular performances are not a new thing for the orchestra. The group has already played several performances this year, most recent being for the Parent-Teacher Association's Varieties show. Last year the orchestra made thirty appearances including one at the Music Festival in San Jose where music judges were rating some of the best school orchestras of the state. Campbell's rating was "Superior," the highest rating which the judges gave.

The group also performed last year at the institute meeting for Santa Clara County Teachers. Other performances included appearances at other schools and at meetings of local organizations.

FULL INSTRUMENTATION

There are about 65 members in the orchestra. Director Dick Gordon, aiming for complete instrumentation, usually found only in the best of high school orchestras, is now adding a school bassoon to the organization. The group already uses an oboe, an instrument seldom found in the instrumentation of elementary school orchestras.

The Footlighters, putting the finishing touches on the play, announced this week that stage sets have been completed. First dress rehearsal was held on Wednesday.

The play is a comedy by Noel Coward and is the story of a 'hag-ridden' husband, whose marriage goes on the rocks because of the impudent ghost of his jealous first wife.

Charles Condomine, the husband, is played by Bert Legg; the ghost by Betty Legg; Ruth, the second wife, by Thais Ackerman; Madame Arcati, Alma Fanning; Dr. and Mrs. Bradman, Budd Levenberg and Jeanne Sheeder; Edith, the maid, by Rhoda Clark.

Tickets may be bought from the elementary school students, or any members of the Footlighters group.

Mando Hendriksons Are Honored At Surprise Anniversary Fete

A party ostensibly planned to observe the birthday of a sister-in-law, proved to be a surprise event noting the twenty-fifth wedding anniversary of Mr. and Mrs. Mando Hendrikson of Campbell. The gathering was held this week at the Leszars home, 151 W. Campbell Avenue in honor of the Hendriksons who were married in Sacramento November 28, 1925.

The local couple are former residents of Oakland where Mr. Hendrikson retired after 30 years in the grocery business. He owned a grocery store on Hopkins street which is now MacArthur Boulevard in Oakland.

Forty friends and relatives were present when the Hendriksons arrived at the house. The latter believed the party was in honor of Mrs. Gust Carlson of Santa Cruz. The tables were decorated with white candles and silver ribbons. The centerpiece was an arrangement of white carnations and chrysanthemums, and a large wedding cake graced the table. where a delicious smorgasbord supper was served.

Mr. and Mrs. Carl Lindberg, who first introduced the couple 26 years ago, were present. Mr. A. Swanson was the toastmaster for the anniversary occasion.

Most of those friends present were from Oakland and have been friends of the Hendriksons for 35 to 40 years. Among the gifts which they presented the Hendriksons were silverware and a box with 25 shiny silver dollars.

Telegrams from two brothers, a sister and three nephews in Chicago were received by the couple.

The Hendriksons bought a home in Campbell at 17 N. Milton Avenue two years ago.

SPEAKER COMPARES MENTAL HEALTH IN EUROPE AND U. S.

Development of tthe Mental Health Service of S. C. County was described for Campbell Business and Professional Women's Club Wednesday evening by Mrs. Ruth Mayer, phychiatric social worker for the health service. Health and safety chairman Jean Atkinson was in charge of the meeting.

Mrs. Mayer, whose subject was "Mental Health and the Community," told of the health service functions in this town and compared facilities available for mental health work in the United States compared with those in Europe. Not only are there many more facilities in this country, she pointed out, but Europeans do not have as many mental problems as do the citizens of the United States. In comparison, there is little rush or worry in Europe. The people take their time. Mrs. Mayer attended the international conference of social workers in Paris last summer.

Social workers in different countries face different problems, the speaker continued. In India there is more concern over sanitation than mental health. People in Europe are too busy obtaining the necessities of life to have time to sit and brood.

In Europe, where the training of social workers is not extensive, more trained workers are needed.

At the meeting in the Congregational Church, the club planned to have their Christmas party on Wednesday, December 13, at the home of Jean Atkinson.

Gwendolyn Steindorf reported on findings of the survey committee.

A party for patients at the Veterans Administration Hospital in Palo Alto will be held early in January.

Three local residents, Dorothy Jenner, Esther Burnett and Jane Wade, were accepted as members.

CAMP FIRE GIRLS

Starlight Bluebird group has recently been organized in Campbell by Mrs. Herbert Tragardh. Her group is composed of twelve third grade girls and is sponsored by the Mesdames G. L. Erickson, William Ostermeier and Tom Furchner of Campbell.

A current project of the group is making Christmas gifts and decorations. They also plan to attend the skating party which will be held in San Jose December 4 for all Bluebird groups in Santa Clara County.

Meeting date of the group is on Thursday afternoons from 2:15 to 3:15 o'clock in the Scout Hall on Third Street.

There are many girls anxious to belong to a Bluebird or Camp Fire group, but at present there are not enough leaders available to form more groups. Women interested in forming new groups may contact Mrs. Richard Gordon at Campbell 2717.

Those present at the committee session were Clarence and Clara Fagalde, Leo Park, Mr. and Mrs. Rex Kaber, Jack Chappell, Mr. and Mrs. A. G. Knowles, Mrs. Henrietta Smith, Frank Johnson and Ed Lee.

MORE ABOUT B. Lymburner

(Continued from Page 2

is the daughter of Mr. and Mrs. Oscar Lymburner of Campbell graduated from San Jose State College last year. She is affiliated with the Thirty Club in San Jose.

The benedict, who also graduated from San Jose State College, is the son of Mrs. R. W. Hemingway of Palo Alto.

Given in marriage by her father, the bride wore a ballerina length wedding dress of white starched lace with a Peter Pan collar and long sleeves. Her veil of illusion net was held in place with a crown of heirloom rose point lace belonging to the Lymburner family. She carried a cascade of bouvardia centered with a white orchid.

Matron of honor was Mrs. Lee Sanders who was attired in a blue lace ballerinna length frock and carried a French bouquet of white carnations and pink roses.

Mr. Peter Hemingway was the best man for his brother's wedding. Ushers were Mr. Dean Burton and Mr. James Lymburner, brother of the bride.

The bride's mother wore a dark blue dress with a rose-colored yoke, black accessories and a corsage of pink roses. The benedict's mother was attired in a dress of champagne lace accented with black accessories and a corsage of yellow roses.

A reception was held after the ceremony at the Lymburner home which was decorated with yellow, bronze and white chrysanthemums and ferns. One hundred guests gathered to honor the newlyweds.

Following their honeymoon in Santa Barbara, the couple will live in Visalia where they will work on the local newspaper.

Sport Shorts

By JERRY THOMAS

BY THE WAY . . . With football and basketball on every sportsman's mind, let's be ornery and discuss track instead. For you gridmaniacs, some pigskin stuff may be discovered a few thousand words down the column . . . I think.

Despite the fact that the cinder season is several months removed, Junior Morgan, new track coach at Campbell high, is busy readying and improving the Buc oval.

Next week will find tons of claydirt from Half Moon Bay being laid over the present surface. This new combination of clay and sand will make the track much faster, Morgan said, and will be easier on the runners.

The newly-coated track also will throw up much less mud once the rainy seasons hit.

Morgan said a quarter inch of the stuff will be applied to the straight-aways and a thin coat will be laid on the rest of the track.

Presently the Buc track contains too much clay and not enough sand. Most of the top dressing has been blown off in tthe past few years, too, Morgan said.

In addition to these track facials, the persistent Bermuda grass that eternally plagues everybody every time will be treated with a film of stove oil. Morgan said that all the runways will be given a dose of the gooey stuff. If that doesn't work they can always use a solution of cement and dynamite.

GRID GAB . . . Frank Calabray, hard-running halfback, led the Campbell Bucs in scoring this season with a total of 36 points on six touchdowns.

Bob Saia, one of the better runners in SCVAL, tallied two TD's and kicked one extra point for 13 points. Charlie McBain, fullback, and Tom Rhodes, second-string half, each scored two touchdowns, Saul Estrada, much-injured flanker, scored once. Al Yamashita booted four extra points.

In all, the Bucs totalled 83 points for the year, with 76 of them coming in league play.

Incidentally, Dudley Herschback, All-SCVAL end for the Bucs last year, was one of the chain gang during the Thanksgiving game with Los Gatos.

This season, he played first-string end for the Stanford frosh and as can be expected sees great things in the Indians' football future.

Coach Marchie Schwartz bemoans the loss of tackles through graduation but Herschback said the frosh team had several big tackle prospects that should help Marchie no end next fall.

PORTAL'S PRIDE . . . Dee Portal, popular boxing coach at San Jose State college, long noted for his tremendous talent-getting, may have discovered another champ in the person of Ward Carson, former Campbell graduate.

In the 14th annual Novice Boxing Tourney held at the Spartan gym recently, Carson, only a freshman, copped the 120-pound championship.

Carson, son of Mr. and Mrs. Robert Carson of Alamaden avenue, showed a talented left hand and utilized his speed to good advantage throughout the three-night event.

Currently he is entered in the Junior Tourney at State. The competition is more severe and intense and if he emerges triumphant (to borrow a phrase of Harry Balough, former announcer at Madison Sq. Garden) he will definitely figure heavily in Portal's future plans. And those plans include the National Collegiate Athletic Association title. Time will tell, but for sure.

WHO'S LOSE? . . . Jack Smith, amiable student coach at the high school this summer, has suddenly upped and left the PE staff. The reason could not have been a better one.

Although he had several weeks of his internship remaining, Smith was offered and accepted a PE teaching position at Montecito Grammar school in Martinez.

His departur eis indeed sudden for he leaves the local fold tomorrow with the new job starting Monday.

A product of Huntington Park and South Gate the capable coach will be missed in more ways than one around Bucville. He was scheduled to assist George Miskulin in coaching the wrestling team.

In the brief time he was available, Smith showed an apt knack in handling boys and maintaining a proper class, be it in the gym or on the field.

VARIETY PLUS . . Achievement knows no bounds. To most of us baseball is a game

Grammar School Basketball Team In County Tourney

The County Grammar school basketball starts its second season play in a few weeks. At a special meeting last week of all physical education teachers in the area, new divisions were discussed and formed.

Campbell Elementary school will play out of the West Division, along with Los Gatos, Los Altos, and Cupertino.

Los Altos Cats are the only new addition. They will replace Saratoga which was too small in enrollment for worthy competition.

Los Gatos captured both the "A" and "B" divisions last year. The local quintet, B squad, were victims in a close final play-off game.

Generally only weed seeds that are within the upper one-fourth to one-half inch of soil germinate in cultivated fields.

Twelve Seniors Pace Buc Cage Practice; First Squad Cut Due This Weekend

With approximately 80 optimistic cagers now seeking places on the Campbell high varsity and 30's teams, Coach Bert Robinson has to resort to a double-shift practice session.

This week he has the top 12 men on both squads hit the floor at 2:30 until 4.00. After them the remaining men engage in sessions.

Upon discussing the dozen players that have shown the most so far Robinson was quick to emphasize that not a single position has been definitely cinched.

"It is obvious that those that are in the top bracket this week are not necessarily the ones who will be on top next week," he said.

As he spoke, Robinson kept one eye on the 26 aspirants who reported only this week from the football squad. Coach Robbie said that he expects some definite help from several of the gridders once they get in hardwood condition.

Two gridmen who have already made the upper varsity group are Saul Estrada and Dave Baxter. Both currently are playing guard.

Oddly enough, despite the potential up from the 30's and lightweights, seniors thus far have completely dominated varsity play.

The other ten players that have drawn favorable comment from Robinson and his aide Coach Junior Morgan are Jack Bray, center; Frank Mantia, guard; Len McCully, forward; Sonny Walters, guard; Rod Kolze, center; Jim Byer, forward; and Sonny Lopina, forward.

With the season's opener set for December 8 against Willow Glen, Coach Robinson indicated that he will start cutting the squad this weekend.

Novice Wrestling Tournament Opens Busy Mat Season

With two SCVAL champs returning for another season, the Campbell wrestling team turned out for its first practice this week with fond hopes of improving last year's second-place standing.

Coach George Miskulin will head the team this year, replacing Robert Culp. Miskulin learned the efiner points of the ancient sport from Ted Mumby, noted instructor at San Jose State college.

The new tutor will build his team around Pete Vossler, who captured the league's 103-lb. division last year, and Dan Duarte, 138-lb. champ.

The other nine weight classifications are wide open with some 40 men seeking first-string assignments.

The Bucs finished behind Fremont high a year ago while sporting a 6-2 record.

Miskulin also stated that two additional schools will wrestle in the SCVAL for the first time. The addition of James Lick and Los Gatos swells the loop to 10 teams.

To boost student enthusiasm and athletic interest Coach Miskulin is staging the first annual Novice Wrestling Tourney Monday, Dec. 4 in the school gym, during the noon hour.

The neophytes will be divided into four teams. Each squad will be coached by lettermen and veterans of the varsity. The following men have been designated as coaches by Miskulin: Vossler, Duarte, Andre David, and Alex Steppovich.

Cage Teams Win Two

Campbell Grammar School opened a successful basketball season on yesterday with a double win over Los Gatos Grammar School. In the "A" game Campbell won, 27 to 18. In the "B" tussle, the score was Campbell 36, Los Gatos 24. This double header marked the opening of the newly-formed Santa Clara County Elementary Basketball loop.

played in the summer and should be reported accordingly.

But the performance of Johnny Oldham, erstwhile Campbell high star hurler, leaves us no alternative.

Last Sunday in the Santa Clara Winter League, the lanky southpaw hurled a one-hitter for the league-leading Envelope Co. team.

To prove his feat was no fluke Oldham fanned 20 batters, including 10 of the last 12 that faced him.

Who is this boy Pettis of Pittsburgh?

ADULT LOOP SIGNS

Judging from the recently-acquired officials, the Adult Basketball League will feature a minimum of back-talk and argument.

Loop Director Bert Robinson announced yesterday that he has engaged the services of Harley Dow and Elgin Martin as the two league officials.

Dow, former three-year letterman for the San Jose State college grid machine, is now making a name for himself in professional circles, playing first-string tackle for the San Francisco 49ers.

Martin, All-PAL lineman at Lincoln high, has just finished his third year as tackle on the Spartan eleven.

Robinson also announced acceptance of a sixth team, the Los Gatos Merchants, in the "A" division.

There is room for one more team in the "B" loop, Robinson said.

League play starts Tuesday, December 5.

SCVAL COACHES

The annual fall meeting of SCVAL coaches will be held Thursday, Dec. 7, at the Santa Clara high school gym.

Listed on the agenda are the following::

1) Discussion of basketball rules with official committees; 2) discussion of basketball officials, 3) wrestling schedule for 1950; 4) baseball, tennis and track schedules for 1951; 5) football schedule for 1951; 6) basketball schedule for 1951, and 7) all other athletic plans and programs for the remainder of 1950-51.

GRAMMAR SCHOOL

The grammar school set claims the basketball spotlight tomorrow as the first annual Santa Clara County Coaches Tournament holds forth at the Los Gatos high school gym.

Campbell Elementary school, along with 12 other "B" teams, engages in a one-day tourney successful teams playing three games.

To alleviate tthe strain on the youngsters, John P. Wilber and Sam Lawson, co-chairmen of the affair, have set five-minute quarters for opening games. All other contests will be regulation six-minute tilts.

The local quintet faces Sunnyvale in the tourney opener at 8 a.m.

Next Saturday, Dec. 2, the "A" teams from the 13 schools will participate in a similar tournament at Fremont high school.

The other teams entered are Santa Clara, Oak Grove, Burbank, Gilroy, Cupertino, Alum Rock, Los Altos, Mt. View, Evergreen, Saratoga and Los Gatos.

As an added attraction, a free-throw contest will be held at the halfway point of tomorrow's event.

Each school is allowed to enter two boys. Qualifying rounds will consist of 15 shots per contestant. The final round will have the six boys with the highest average competing for an award.

Officials for the two tournaments will be selected from the various coaches present for other games.

POOR SHOWING AT BLOOD COLLECTION SCORED BY LOCAL PROCUREMENT HEAD

Campbell limped in with little more than half its quota of 75 pints for the regular blood bank visit here Monday. With a quota of 75 pints, and a hoped-for 100, this community turned in 43 pints. Actually 58 persons volunteered, but 15 of these were rejected for various reasons.

"What a sorry record for the fastest growing community in the county," commented J. B. 'Bud' Levenberg. "Thank Blood Procurement Chairman God the boys in Korea aren't waiting for blood from Campbell; They would have an awfully long wait—and how that blood is needed."

THANKS COMMITTEE

Levenberg expressed thanks of his committee to "those people who did come out and give. And it was most pleasant to have so many new people — first time donors who found out it wasn't such an ordeal. A lot of these first timers were due to the splendid work of Mrs. George Miller and her committee from the Campbell Community Club. They certainly pitched in and did a grand job. Thanks again.

"More thanks go to the many people who served as nurses, canteen workers and typists. Without them we couldn't have the moble unit here."

Mrs. Sylvia Herman Dies In Berkeley

Funeral services for Mrs. Solveig (Sylvia) Herman, 38, a resident of the San Tomas district, were held Friday from the Clarence Cooper Mortuary in Fruitvale. She passed away in a Berkeley Hospital after a recurrence of a previous illness, and just two months after the death of her only sister. Interment was in Oakland cemetetry.

Born in Kangsvinger, Norway, Mrs. Herman came to this country when she was a small child. She was one of the pioneers of the San Tomas district, having lived here over ten years. Until her illness prevented, she was an active member of the San Tomas Parent-Teacher Association, mother to a Blue Bird group, and belonged to the neighborhood "Buzz and Stitch Club," in all of which her presence will be greatly missed.

Besides her husband, Jacob, she leaves two young children, Jacqueline Roberta, and Robert Jack, and her mother, Mrs. Anna Christiansen, of San Leandro.

"Listen, Boy Scout, I want an automatic clothes dryer!"

Every time I try to wash
Through the rain I have to slosh
Grab my laundry off the line
Ever see such luck as mine?
One wet day we went to town
Where the dealer sat us down,
Showed how automatic dryers
Beat our smoky basement fires!
Let it blow and let it pour
I'm not worried any more.
In my dryer's fluffing heat
Clothes dry, sunny-fresh and sweet.

Ladies, an Automatic Home Laundry is a life saver . . . for you, your clothes, your budget. An electric washer does the hard work, washes everything from dungarees to dainties, quickly, gently, economically. An electric dryer fluff-dries your wash in gales of fresh warm air as sweet and clean as sunshine. An electric ironer does up to 70% of the average family ironing without effort. Combined, this automatic trio saves you days not hours, dollars not pennies! Talk to your dealer about demonstrations.

Best of all, your automatic home laundry operates at bargain rates here in California P. G. and E. rates are among the nation's lowest. Gas and electricity take less than 3¢ of your household dollar.

Campbell Will Hear As Well As See Footlighters' 'Blithe Spirit' Dec. 7, 8

Set cmomittee of the Footlighters Club spent an extremely busy weekend building the setting for the coming production of "Blithe Spirit", which features a full ceiling that will project the voices of the performers into the auditorium. This will eliminate the accoustics difficulty encountered on the night of the recent variety show.

The play will be presented December 7 and 8 at 8 p.m. in the Campbell Grammar School auditorium. The curtain will open on a completely new setting of soft gray walls, thanks to the able bodied men of the club who wielded the paint brushes Sunday afternoon.

Members of the audience will again have the pleasure of looking upon a perfectly appointed room arrangement furnished by Anna Cichetti of Hubert's Maple Room.

Rehearsals are progressing according to schedule and the play promises to be an outstanding evening's entertainment.

Tickets may be purchased from any of the elementary school children, or a phone call to any Footlighter member will bring tickets to the applicant's door, "on the double."

The first discovery of gold in Tuolumne County was at Wood's Crossing, southwest of Jamestown.

More Merchants Contribute To Decoration Fund

Three more local merchants were listed this week as contributors to the Christmas lighting fund. Chamber of Commerce Secretary-manager Forrest Reese said that the Parker House, Kopper Kettle and Dolly Ann have made donations to the fund for Christmas decorations in the business district.

Resse added that there will be fewer lights on the street this year due to complications arising over phone company requirements and overhead clearance. He explained that the phone company will not permit electric wires to the decorations to be lower than or on a level with phone wires. The wires must be above the lines, and some poles, especially on Winchester Road, are not tall enough to permit installation under these conditions.

In addition the California Highway Patrol, Reese said, insists on 18 feet clearance over Winchester Road.

High School Choir Sings Carols For Rotarians

Members of the Campbell Union High School a capella choir, under direction of Frank Triena, sang a group of Christmas songs for the Monday noon luncheon meeting of the Campbell Rotary Club, and another student, Charlotte Crain, played a piano solo.

Choir selections were "Ave Maria," "Noel," "Cherubim Song," "Ride the Chariot," and "Ding Dong, Merrily on High." The soloist played "Minuet" by Paderewski.

Next week program chairman Dobie Jeffers has arranged for a 12-minute film on Rotary. School District Superintendent William C. Henley will speak on the proposed school bond measure.

CHRISTMAS PARTY

Final arrangements have been made by Mr. Jeffers for the December 11 Christmas program. This will be a dinner for Rotarians and their families at 6:30 p.m. Mario Saia has arranged for some films appropriate to the occasion. There will be a Christmas tree and Santa Claus.

A large group of farmers was on hand and promised their support in obtaining better protection for the community.

W. A. Stine of the County Farm Bureau said his group will back a move for greater protection all throughout the county.

Gomes reported today that the informal opposition group which he headed is now disbanded, and all further action must come from the Hoffman committee.

Sojourners Plan Breakfast Meet This Sunday

Association of Sojourners of the Charity Lodge, F&AM, Campbell, will have a Sojourners breakfast Sunday, December 3, at 8:30 a.m., in Williams Food Lockers on Quito Road. Les Rapheld is the breakfast chairman, and has promised an interesting speaker. Reservations should be placed by noon Saturday with either George Tutt, Campbell 3662, or Tom Daugherty, Campbell 2444.

Charity Lodge and Job's Daughters will have installation ceremonies December 9 in the high school gymnasium, Job's Daughters at 6:45 p.m., and Charity Lodge immediately following.

Sojourners will have their banquet Tuesday evening, January 23, honoring their wives. The place will be Cambrian school cafeteria. Banquet reservations should be made with A. P. Ward, Campbell 3144.

Taxable Property Value Increases

Assessed value of property subject to local taxes in Santa Clara county reached $349,502,885 for 1950-51 compared with $200,241,705 for 1944-45 and $326,322,175 for 1949-50, California Taxpayers' association reported today.

Included in the total taxable valuation in the county for the current year were $96,230,000 of land, $209,976,480 of improvements on land, $70,239,265 of personal property and money. Assessed value of property exempt from taxation in the county during this year amounts to $26,942,860; this figure does not include government-owned property, etc., on which no assessed valuation is made.

Total valuation of taxable property in California reached a record high of $13,618,914,537 for 1950-51, the association said. For 1944-45, taxable value of property was $8,267,099,366. For 1949-50 it was $13,227,731,114.

The $13,618,914,537 total property subject to local tax rates in 1950-51, included $5,009,533,761 valuation of land, $6,552,265,290 in improvements, $2,737,018,837 in personal property and money. Exemptions, statewide, amounted to $679,903,350, and included exemptions granted to householders, veterans, charitable institutions, churches, colleges, etc.

"Assessed value is one part of the yardstick by which the tax bill is distributed—but public expenditures are the cause of the tax bill," the Taxpayers' association said, pointing out that:

Six years later Harold Lucas, the 'Y' secretary, worked with Campbell. They had three Hi-Y clubs and several younger boys' clubs.

"1930: Mr. Chandler said that the cost of boys' work was about $7.50 per person. (Today it is $10 per person. Last year we had over 100 boys in our program. To date we have five Hi-Y clubs, two junior high and two Gra-Y, plus the use of our YMCA building for their various group activities and special events.)

"1936: When Mr. Chandler retired Tom Farley was president of one of the Hi-Y clubs. He later became head of the California Conference of Methodist Youth Work."

Tea will be served during the afternoon by a committee headed by Mrs. Percy Lovejoy. Assisting as co-chairmen for tthe day will be the circle leaders, Mesdames Fred Fellman, Henri Quetin, Earl Buck, Louis Brandon and George Greene.

Booths at the bazaar will have on sale a variety of items, including fancy work, home made candy, baked foods and casserole dishes, and there will be a country store booth.

SERVICE NEWS

Lieut. (jg) Paul S. Larkin, USN, son of Paul G. Larkin of 200 Harrison, Campbell, arrived back in the United States Friday after more than four months of action in the Korean War. He was aboard the attack transport USS GEO. CLYMER, a unit of the Pacific Fleet Amphibious Force, which docked recently.

On hand to greet the ship and its crew were Rear Admiral I. N. Kiland, commander of the Pacific Fleet Amphibious Force, members of his staff and wives and children of many of the bluejackets returning from combat. Large signs reading "Welcome Home" and "Well Done," traditionally the Navy's highest praise, decorated the pier as the ship drew into her berth.

The George Clymer was among the first units of the Fleet to engage in action against the Korean Communists. She carried the flag for the Amphibious Task Group which rushed elements of the First Marine Division from San Diego to the front lines in Korea in mid-July.

The amphibious assault at Pohang Do in the early days of the war, in which she was the first transport ashore, enabled the United Nations to maintain their small perimeter around the Pusan area. It was due to the George Clymer and other ships of the Amphibious Force that such landings were possible. She was also first ashore at the invasion of Inchon. Her last action, before returning home was to put troops and supplies ashore at the heavily mined port of Wonsan.

The George Clymer's distinguished record, so ably maintained in the Korean War, was established during World War II when she took part in invasions of North Africa, Guadalcanal, Bougainville, Guam, Leyte and Okinawa. To make the record complete, she put the troops ashore in Japan in the final landing of the war.

An attack transport of the Amphibious Force is a fighting ship, but the Clymer proved her worth in peacetime by bringing home thousands of American combat veterans and in exercises to maintain the skills of her crew—skills which were to serve her well when she was called upon to defend her country again.

Men of the Clymer will be visiting their homes on leave soon after their ship enters a West Coast Navy Yard for routine overhaul.

The Navy Recruiting Station in San Jose announces that Charles Richard Chapman, son of Mr. Charles J. Chapman, residing at 784 Smith Avenue, Campbell, was one of the ten men who enlisted in the U. S. Navy during the past week. Charles is a graduate of the Campbell Union High School and has hopes of furthering his education in the Navy.

He will be given eleven weeks Navy training at San Diego before his permanent assignment. The Navy still has many trade schools open to men who can qualify for a school. All young men are requested to contact their local Navy recruiting office to learn the advantage of volunteering enlistment for the U. S. Navy. The recruiting office is located in Room 227, Postoffice building, San Jose.

Gerald E. Rawlings, 19, son of Mr. and Mrs. Chester E. Rawlings, 466 Downing Avenue, Campbell, has enlisted in the United States Air Force for four years. He is a graduate of Campbell High School.

ENLISTMENTS

Single young men who are classified 1A may still enlist in the Army or Air Force, if they have not received their notice to report for a pre-induction physical and are otherwise qualified, according to Master Sgt. Kenneth D. Stanford, San Jose Army and Air Force Recruiting Station Commander.

The Sergeant added that the Air Force has a limited number of openings for this month and those applying first will be accepted, all others will be placed on a waiting list and held over until the quota is open. The Army, however, has an open quota and an applicant still has some choice as to branch. Every effort is made to place him in the job he will like the most.

Though the training program has speeded up, the sergeant said, the processing of enlistees at Fort Ord is following the same channels used before the Korean war. The worth of a soldier is determined in his initial processing.

Spiritual Law Of Impossible Silence At Baptist Church

"The Spiritual Law of Impossible Silence!" has been chosen as the topic for the Sunday morning Worship Service, at 11 a.m. in the Campbell Baptist Church as announced by the pastor, the Rev. Lyle E. Cushman. The Communion Service will be observed.

In the evangelistic Sunday evening hour at 7:30 o'clock, the pastor will speak of "Why Does God Allow War?" Singspiration, testimony, and special music mark this service. A growing Bible School meets at 9:45 a.m. with classes for all ages. Parents are invited to bring their children and stay during the sessions. Two adult Bible classes are provided by the school.

The Youth Fellowship meets at 6:30 p.m. Mid-week Bible Study and prayer service meets Wednesday, 7:45 p.m. A series of Bible expositions are being continued in the book of Galatians.

Accidents Injure Five Motorists

Serious injuries were suffered by two men in a collision here on Monday, and three others were slightly injured in other local accidents during the week, according to police reports.

Taken to Countty Hospital after suffering major injuries in a two-car collision at San Jose-Los Gatos Road and Camden Avenue Monday were Paul N. Lamacus, 21, of Brisbane, and Joseph F. Conley, 61, of Monte Vista.

Mr. and Mrs. Melvin S. Bingham, both of Sacramento, received minor injuries Sunday in a two-car headon crash at San Jose-Los Gatos Road at Dry Creek Road. Their car collided with that driven by Edith Mize of 1251 Dry Creek Rd.

Mary Eitzen, 20, of 545 E. Casey Road, Campbell, received minor injuries in a two-car crash at 580 So. First Street, San Jose, Tuesday. She refused treatment.
